

En **exclusivité** au Maroc ,et depuis des années **Freight4U** fait partie du réseau [GLF](#) et [WFO](#)

The Global Logistics Family (GLF) has been set up by freight professionals with many years experience of networking, planning conferences, and understanding the needs of dynamic owner managed international freight businesses who want to compete on the World's stage. The unique advantages of working within the framework of a dynamic and managed network are linked with worldwide representation coupled with personal attention. Truly the best of both worlds for you and your clients!{jcomments off}
